The demand for student housing in The Netherlands is high. It won't be easy to find accommodation, however it's not impossible. Students should start arranging their accommodation as early as possible (**at least three months in advance**). The rent price for accommodation in The Netherlands will be between €600 and 900 a month. Most students in the Netherlands live in shared student housing.

Tip: We would recommend to register for a room via <https://www.room.nl/en/>.

Expenses

- For the accurate living expenses please check [Numbeo](#) and select your city.
- Health Insurance
 - **EU/EEA students** must obtain an EHIC card pre-arrival. Be aware that this card expires after a few weeks/months, contact your health insurance provider to ask for the validity of the card.
 - **NON EU/EAA students** need to take out an Insurance Passport for Students (AON). In case Inholland applies for your Visa or Residence Permit, the admissions department will take out the AON insurance on your behalf. Be aware that this insurance is taken out usually from 1 February. Before that date, even if you travel to the Netherlands sooner, you are responsible to have your own health insurance! For questions please contact admissions@inholland.nl
- [Liability Insurance](#): we highly recommend all students to take out a liability insurance as well.
