### WeNov Campus (Master)

Located in a pole of excellence for innovation in digital sciences, WeNov provides our students with a unique opportunity to pursue their Master's studies in a highly professionalising environment.

International students who wish to attend both Bachelor's and Master's courses have the possibility to travel from one campus to the other by using public transport (bus or metro: 15-20 min), by bike (10 min) or by walking (30 min).
